

# **THE BARBADOS KENNEL CLUB**

**All Breeds Championship Show – 7<sup>th</sup> October 2007**

**Judge Dr. Ronald James**

It was a great pleasure to visit Barbados and judge the all breeds championship show organised by The Barbados Kennel Club at the club's spacious and well maintained venue at Waterford. The entry contained some excellent dogs that I was more than happy to award top honours. Competition in some breeds could have been stronger and challenge certificates were withheld when I felt that there were no exhibits present that were of sufficient merit to be worthy of the title champion. The show administration was first class and everything seemed to run very smoothly. With just a single, but notable, exception the competitors proved to be a very sporting and amicable crowd.

## **TERRIER GROUP**

### **Bull Terrier (Bitches)**

#### **Junior**

##### **1<sup>st</sup> Mr. M. Cottrell's BULLYWOOD BOSSY BOOTS**

CC, BOB and Reserve Best Terrier. Strongly built with well muscled appearance, well shaped and filled head with keen eye and expression, good depth and breadth of fore chest, short back and level top line, pleasing forehand and rear construction and uses her hindquarters well on the move. Tail set and carriage not correct.

#### **Novice**

##### **1<sup>st</sup> Mr. M. Cottrell's KENMILQUIN PEBBLE MOON**

Reserve CC, cast in a slightly larger frame than winner, long head of good depth but not quite the fill of the CC winner, narrow and obliquely placed narrow eye, good width of fore chest but a little upright in shoulder would like her to show more rear drive on the move, well set and carried short tail.

### **Fox Terrier (Smooth) (Dogs)**

#### **Open**

##### **1<sup>st</sup> Mr. G. & Mrs. S. Spencer's TAMEDALE NISTELROOY AT BARINDI**

CC, BOB and Best Terrier. Very active and lively with the appearance of a well made short-backed hunter, well boned limbs, flat and narrow skull, moderately chiselled foreface, small eye with bright and intelligent expression, high set and gaily carried tail, parallel movement.

## TOY GROUP

### Papillon (Dogs)

#### **Puppy**

##### **1<sup>st</sup> Miss E. Blanchard's HOTHERSALL'S ARES**

Reserve CC, Reserve BOB, Reserve Best Toy and Best Locally Bred Toy. Very dainty appearance with slightly rounded skull and a finely pointed muzzle nicely set and carried ears of good size, well angulated quarters, free and brisk movement with correct tail carriage.

##### **2<sup>nd</sup> Miss E. Blanchard's HOTHERSALL'S APOLLO**

Litter brother to winner, not quite as dainty but with a nicely shaped head, good ears, nice eye and expression, not fully co-operating with his handler and so not making the most of himself.

#### **Open**

##### **1<sup>st</sup> Miss E. Blanchard's KINGSHAVEN WONDER MAN AT HOTHERSALL**

CC, BOB, Best Toy and Reserve BIS. A lovely size and shape and presenting a picture of balance and quality. Good balance of skull to muzzle with correctly sized ears, lovely eye and charming expression, neck of medium length, level backline with nicely set and well plumed tail. Moved with a stylish ground covering action with excellent rear propulsion but with just a slight hint of a high stepping front action.

### Papillon (Bitches)

#### **Puppy**

##### **1<sup>st</sup> Miss E. Blanchard's HOTHERSALL'S ATHENA**

CC, very feminine and dainty in appearance with an appealing head, eye and expression, level top line, nice tail set and plume, strong and well angulated quarters with good drive on the move, slightly short in upper arm which gives her a high stepping front action.

## **GUNDOG GROUP**

### Spaniel(American Cocker) Dogs

#### **Open**

##### **1<sup>st</sup> Mrs. D. Davies' SH.CH. AFTERGLOW ANDANTE**

BOB, 9 year old male, pleasing head properties with rounded skull, clearly defined stop and eyebrows, deep and square broad muzzle, with good chiselling under eyes. Lacking in depth of fore chest, short in upper arm and out at elbow. Rather sluggish on the move and not using his tail correctly.

### **Retriever (Golden) (Dogs)**

#### **Novice**

##### **1<sup>st</sup> Mrs. L. Husbands' THATCHERS STORMY KNIGHT**

Reserve CC, nicely headed pale cream with a level top line and a well set and carried tail. Balanced forward and rear angles but lacks the necessary angulation to move with the power and drive I like to see in this breed. At the top of the height range for a male and somewhat lacking in depth and width of body.

#### **Open**

##### **1<sup>st</sup> Mrs. J. Ray's SH.CH. BURPHAM WINTER STORM OF THATCHER C.D.**

CC, rich mid gold of very pure colour, sire of the previous class winner and a more mature version of his son with almost identical faults and virtues, does as his handler asks of him and puts all into his movement but his forehand and rear construction limits his length of stride so he has to make a lot of effort to cover a small expanse of ground.

### **Retriever (Golden) (Bitches)**

#### **Open**

##### **1<sup>st</sup> Mrs. L. Husbands' SH.CH. THATCHERS GOLDEN SKY C.D.**

CC, BOB and Reserve Best Gundog. Very typical for size, outline and proportions, pretty feminine head with pleasing eye and expression, well laid shoulders with good length of upper arm, level top line with strong couplings, well set and carried tail, sturdy and shapely rear quarters with ample muscle tone and mass, very fluid and economical ground covering movement.

##### **2<sup>nd</sup> Mrs. J. Ray's SH.CH. THATCHERS HIGHLAND MOON C.D.**

Reserve CC and Reserve BOB. A half sister of the winner and is of similar quality, type and appearance. Has a pretty feminine head with good balance of length of fore face to back skull and a kindly brown eye. Not quite the same fluidity in movement of the winner.

### **Retriever (Labrador) (Dogs)**

#### **Open**

##### **1<sup>st</sup> Mrs. S. Leacock's SH.CH. BENATONE SECRET MISSION OF THEBERTON**

CC, BOB and Best Gundog. This mature yellow is a very nice strongly built and short coupled example of the breed. Broad skull with a defined stop and clean cut cheeks, powerful jaw and well developed nostrils, intelligent eye, well set ears of medium size, long and sloping shoulder with well boned and straight forelimbs. Good depth and width of chest with well sprung rib, level top line with strong and wide but short coupling, ground covering free and true action. Would have preferred a slightly more "otter" shaped tail to complete the picture.

### **Retriever (Flat Coated) (Dogs)**

#### **Open**

**1<sup>st</sup> Mrs. B. Greenidge's SH.CH. BRAEMIST NIGHTJAR IN PARADISE C.D.**  
BOB, long nicely moulded head with a moderately broad and flat skull, strong jaw, long and symmetrically set neck, flat fore ribs with gradual spring to rear, short and square loin, would have preferred a little more breadth of fore chest. Poorly developed rear quarters giving an impression of being cow hocked and no visible drive or power on the move.

## **HOUND GROUP**

### **Beagle (Dogs)**

#### **Open**

**1<sup>st</sup> Mr. T. & Mrs. C. Bentley's CH. DIALYNNE MESSENGER**  
CC, BOB and Best Hound. Even at six years of age this dog's outstanding breed type and construction simply could not be overlooked in today's company. Good length of skull and with no hint of coarseness. Eyes set well apart with mild and appealing expression. Really well laid shoulders, straight forelegs, well set down and filled fore chest, well sprung ribs which extend well back, muscular thighs with well set down and parallel hocks. Outstanding movement with an even and long reaching stride and impressive hind drive.

**2<sup>nd</sup> Miss Emily Blanchard's DIALYNNE STORM REFLECTION AT HOTHERSALL**

Reserve CC. Smart stallion hound in hard condition and very well handled. Top line is level and straight and he has a well sprung rib cage and short couplings. Muzzle appears slightly short in proportion to the length of his back skull and he has a rather prominent eye which spoils his expression. Short in upper arm and slightly bowed in front which results in him having a short forward reach and a rather uneconomical gait.

### **Beagle (Bitches)**

#### **Open**

**1<sup>st</sup> Miss J. Gilkes' CH. DIALYNNE ASTRID**  
CC and Reserve BOB. Carrying too much weight but she is of excellent breed type and has an excellent carriage on the move with a long stride and economical ground covering action. She has the most pretty and feminine of heads with good balance of back skull to muzzle and a delightful eye and expression. Well laid shoulders with pleasing length of upper arm and with the required depth and breadth of fore chest.

## **Rhodesian Ridgeback (Dogs)**

### **Limit**

#### **1<sup>st</sup> Mr. A.Craigg's KENMILLIX LUSAKA**

Res CC. A real handful and has yet to grow into his frame. Flat skull with good breadth, long and deep powerful muzzle, clean and close fitting lips. He has a deep and capacious body with a well sprung rib cage. His coat is short and dense with the desired glossy appearance. He is upright in shoulder with a short upper arm giving him a rather stilted front action which was not helped by his handler stringing him up to move him.

### **Open**

#### **1<sup>st</sup> Mrs. R. Lozada & Mr. D. Arthur's CH.CENNENRIDGE ZALIKA**

CC, BOB and Reserve Best Hound. Mature hound with a pleasing head, strong neck, very deep and capacious fore chest, adequate lay of shoulder and a fair length of upper arm, well sprung rib, powerful and slightly arched loin, moved with a free and active gait but rather close behind.

## **Rhodesian Ridgeback (Bitches)**

### **Puppy**

#### **1<sup>st</sup> Mrs. S.B. Hamilton-Outcalt's BROANI CHIKU AT CROWNRIIDGE**

Reserve CC, Best Puppy and Best Hound Puppy. 8 months of age, pleasing head, eye and expression, good depth of chest, balanced angles in her fore and rear quarters, still carrying a little puppy fat and moving with a slightly rolling gait.

### **Open**

#### **1<sup>st</sup> Mrs. R. Lozada & Mr. D. Arthur's CH. CENNENRIDGE HAZINI**

CC and Reserve BOB. Litter sister of the BOB winner and she is very similar in stamp to him. She is really feminine yet strong in appearance with a deep body, strong loin and with a short, dense and glossy coat of pure colour. Her top line was not as firm as her brother's and she didn't seem quite as steady and co-ordinated on the move.

## **Akita (Dogs)**

### **Minor Puppy**

#### **1<sup>st</sup> Mr. A .Taylor's MASSIMA'S SACRED WARRIOR**

Best Puppy, Reserve Best Utility Puppy and Best Locally Bred Utility Puppy. 7 months of age, triangular shaped head with small eye, body slightly longer than height, coarse outer coat with soft and dense undercoat. High set tail but needs to be carried higher over the back. Lacks development of second thigh at present and is very sloppy and undisciplined on the move.

### **Puppy**

#### **1<sup>st</sup> Miss C. Grazette's BOLD THUNDER**

8 months of age, not showing too well so difficult to assess, well grown with ample bone, head not as appealing as winner and he seemed to be a little upright in fore hand conformation.

### **Limit**

#### **1<sup>st</sup> Mr. D. Boyce's DONKEMRE TAKE NO CHANCES**

Reserve CC and Reserve BOB. Upstanding dog with a large triangular head, high set tail carried well over the back, would like a slightly greater length of body in relation to his height, coat not at its best, moved with power and style.

### **Open**

#### **1<sup>st</sup> Mr. G. & Mrs. S. Spencer's CH. BARINDI SUPERSTAR**

CC, BOB and Reserve Best Utility. Fairly typical of the breed in most respects, pleasing head properties with good eye and expression, correct double coat, ample bone and substance, high set tail carried over back, moved with style and powerful driving action, needs a little more of length of body to give him the desired height to length ratio.

### **AKITA (Bitches)**

### **Novice**

#### **1<sup>st</sup> Mr. P. Waterman's BRANDY WINE NALA**

Pretty headed and with correct length of body for her height but rather lacking in bone and substance and with insufficient depth of body.

### **Limit**

#### **1<sup>st</sup> Mr. D. Boyce's DONKEMRE MAI-LING**

Reserve best female. Pleasing head, eye and expression, good bone and pleasing length of fore leg for her height, much too short in back and has a rather high hock placement which spoils the balance of her outline and gives her a rather stilted movement.

### **Open**

#### **1<sup>st</sup> Mr. G. & Mrs. S. Spencer's SHOJO SASSY**

Best female. Mature lady of 5 years, broad and flat skull with small eye but with a rather long and tapering muzzle which spoils the overall appearance of her head, correct length of body but appears to be too short on the foreleg giving here a rather "dumpy" appearance, moved quite well.

### **Miniature Schnauzer (Dogs)**

### **Puppy**

#### **1<sup>st</sup> Mr. R. & Mrs. J. Anderson's RISEPARK PRETTY SMART GUY AT JAMROCK**

CC, BOB, Best Utility, Best Utility Puppy and Best Puppy in Show. A very nice example of his breed, a sturdy and robust build with the necessary square appearance, strong head of good length, flat forehead, well developed cheeks and medium stop, prominent eyebrows and strong blunt-ended muzzle, neat and high set ears, slightly arched neck of good length, well laid flat shoulders, well boned limbs, deep chest with visible breast bone, strong back with slight slope from withers to quarters, a change of handler showed that he has the ability to move exactly as the breed should.

## **WORKING GROUP**

### **Bouvier Des Flandres (Dogs)**

#### **Novice**

##### **1<sup>st</sup> Mrs. W. Kirton's CALLIOPE RUPERT**

Best male. Clean cut and massive head, square build with balanced angulation of fore and rear quarters, needs much more condition and muscle tone to show off his attributes and coat needs attention.

### **Bouvier Des Flandres (Bitches)**

#### **Novice**

##### **1<sup>st</sup> Miss A. Ashby's CALLIOPE RITA**

Reserve CC and Reserve BOB. Very nice example of the breed, outstanding head properties, strong body with a powerful build, neck just a little shorter than length of head, strong straight forelegs, elbows well set in to body, abundant coat with barely visible skin, well muscled thighs and powerful movement.

#### **Limit**

##### **1<sup>st</sup> Miss M. Ashby's CALLIOPE RHAPSODY**

CC, BOB, Reserve Best Working and Best Locally Bred in Show. Another very nice example of the breed, cast in slightly smaller frame than her litter sister from the previous class and not quite as classical in head properties but it was her exquisite overall balance and very correct movement that gave her the edge on the day.

### **Bullmastiff (Dogs)**

#### **Puppy**

##### **1<sup>st</sup> Mr. P. Ashby's FLANDERS COMMORAWRY WOOD AT ZAHARA BULLS**

Raw youngster with the potential to develop into a fair specimen of the breed. Has the required overall squareness of head although eye shape and expression not quite typical. Top line is slack at present and he needs better pigmentation.

##### **2<sup>nd</sup> Mrs. D. Tomlin's HOTHERSALL'S PRINCE ALBERT**

Too short in length of body and is rather upright in shoulder with a short upper arm. Head not typical being round rather than square and length of muzzle is not in proportion to back skull.

#### **Limit**

##### **1<sup>st</sup> Mr. S. Howell's KADCRUF DUNCAN DISORDERLY OF KEMROROCS**

Mature 4 year old, pale fawn colouring with good depth of pigmentation, substantial body of square proportions, slack in top line, massive skull with fair amount of wrinkle, typical eye and expression, a fraction too short in muzzle.

##### **2<sup>nd</sup> Mr. R. Wood's RISING SON**

Less mature than winner at 19 months, large head with rather too much wrinkle in repose, eye colour a little light and needs deeper intensity of pigmentation. He is tall and upstanding appearance in profile but still needs to fill out in body. Upright in shoulder with short upper arm and needs better bend of stifle and greater development of second thigh.

## **Open**

**1<sup>st</sup> Mr. P.R.P. Evelyn Q.C. - CH. MURBISA CONNOR AT HOTHERSALL**  
CC and BOB. At the top end of the standard for size and substance but with a commanding ring presence. Head is massive and square with correctly proportioned skull and muzzle, correct eye shape and expression although would benefit from a darker eye, he is over wrinkled in skull and the wrinkles on his body are not really pleasing to the eye, excellent bone and substance, feet could be tighter, very good breadth and depth of chest with pleasing lay back of shoulder and adequate length of upper arm, good spring of rib, excellent top line and loin, would benefit from a better bend of stifle and greater muscle mass on rear quarters to maintain his overall balance of outline, holds his outline well on the move with a free and smooth gait.

**2<sup>nd</sup> Mr. F. Godson's HOTHERSALLS MR. BINGLEY**

Reserve CC. Son of winner, solidly built with large frame and plenty of bone and substance, decent sort of head with nice eye and expression, not moving with the same impression of power and agility on the move as his sire.

## **Bullmastiff (Bitches)**

### **Minor Puppy**

**1<sup>st</sup> Mr. R.Wood's TAJIREH TAPESTRY AT WOODNEY**

Pleasing shape and outline with good pigmentation and an excellent coat of pure colour and correct texture, head of square appearance and with a strong muzzle but needs to develop a little bone and substance and fill out in body to present a more typical picture of the breed.

### **Puppy**

**1<sup>st</sup> Mr. P.R.P. Evelyn Q.C. - HOTHERSALL'S LADY VICTORIA**

Best Puppy and Best Working Puppy. Promising youngster of good overall type, square head with strong muzzle and powerful jaw, would like fewer wrinkles on head when in repose and her eye could be darker, good depth of body and ample bone and substance for her age, top line and movement should improve as she reaches full maturity.

**2<sup>nd</sup> Mr. P. Ashby's MISS STARLIGHT AT ZAHARA BULLS**

Different type to winner being longer cast and somewhat plainer in head properties. She is soundly constructed and has time on her side to deepen in fill out in body properties.

## **Open**

**1<sup>st</sup> Mr. O. Holder's CH. HOTHERSALLS LADY GEORGIANA**

CC, Reserve BOB and Best Locally Bred. The best headed example of the breed on show today, strong and deep body which gives an impression of power, good rib, ample bone and substance for a female, powerful quarters, well set tail of good shape, good feet and pleasing pigmentation, just lacked a little sparkle on the move.

**2<sup>nd</sup> Mr. P.R. P. Evelyn Q.C. - HOTHERSALLS LADY CHARLOTTE**

Reserve CC. Litter sister to class winner, very good type and made a strong bid for the class. Not quite as outstanding in head properties as her sister and slightly longer cast in body which allows her greater freedom of movement.

**3<sup>rd</sup> Mr. O. Jordan's CH. EDENWOOD JULIA**

Cast in slightly smaller mould than those placed above her today, pleasing head properties, adequate bone and substance for her size, pleasing mover, had to penalise her in this company for the slight kink at the root of her tail.

**Great Dane (Dogs)**

**Junior**

**1<sup>st</sup> Mr. A. & Mrs. K. Evelyn's GRIFFIN SIR BOURBON**

Nicely headed youngster, good for size, bone and substance, back of good length and with a good top line, would like greater development of thighs and more power in rear quarters on the move.

**Limit**

**1<sup>st</sup> Mr. & Mrs. J. O'Selmo's BREDWARDINE BLUE VICTORY**

Reserve CC. Well proportioned head with typical expression, strong neck, pleasing fore hand with good depth and breadth of chest, good rib, excellent top line with nice length of back and strong loin and coupling, pleasing croup and tail set, rather unsettled on the move.

**Open**

**1<sup>st</sup> Mr. A. & Mrs. K. Evelyn's VANMORE METROPOLIS OF GRIFFIN**

CC. Striking harlequin of good size and with ample bone and substance, well shaped and balanced skull with good eye and expression, deep chest of ample width, balanced outline with shapely quarters, moved with a free and easy action.

**Great Dane (Bitches)**

**Junior**

**1<sup>st</sup> Miss E. Blanchard's GRIFFIN LADY AMARETTO**

Pretty feminine head with pleasing eye, medium sized but with matching bone and substance, presents an overall picture of elegance harmony and balance and moving with a free and easy action.

**Limit**

**1<sup>st</sup> Mr. & Mrs. J. O'Selmo's BREDWARDINE BLUE KATE**

Reserve CC and Reserve BOB. Liked her a lot, pleasing head properties, strong well made body, well filled chest, excellent rib, top line and quarters, excellent colour and coat texture, well off for bone and substance, needs to be handled more steadily to get the best out of her on the move.

**Open**

**1<sup>st</sup> Mr. G. & Mrs. S. Spencer's CH. EDENWOOD CORIOLANUS**

CC and BOB. Excellent head with grand eye, strong in build yet elegant in appearance, correct outline and proportions for the breed and moved out well on a free and easy stride. Would have preferred her coat to be more pure in colour.

### **Dogue De Bordeaux (Dogs)**

#### **Novice**

##### **1<sup>st</sup> Mr. W. Small's FLANDERS INSPECTOR GENERAL**

Reserve CC. Very nice for type and size with a correct head, wide and deep chest, excellent rib, powerful and well made quarters, just needs to gain more confidence to take the top spot.

#### **Open**

##### **1<sup>st</sup> Mr. W. Small's PRYDE OF ARDVACAN AT EDLYNN'S**

CC and Reserve BOB. Mature example of the breed with a pleasing head piece, good front and shoulder, good rib, needs more strength in rear quarters and could be a size larger for a male.

### **Dogue De Bordeaux (Bitches)**

#### **Novice**

##### **1<sup>st</sup> Mr. M. Darlington's FLANDERS AUTUMN RHYTHM**

CC and BOB. Nicely headed with correct balance of skull to muzzle, nice eye, pleasing neck and shoulder, good depth and width of chest, a tendency to stand cow hocked and would like her to show more drive from her rear quarters.

### **Neapolitan Mastiff (Bitches)**

#### **Novice**

##### **1<sup>st</sup> Mr. D.R. Sandiford's FLANDERS BEAUTY**

BOB. Fair head and expression, pleasing height to length ratio, well set and carried ears of good size, stocky and muscular neck, sloping shoulder and sloping pastern, roaches top line on the move and moves in a rather un-coordinated fashion.

### **Rottweiler (Dogs)**

#### **Puppy**

##### **1<sup>st</sup> Mr. C. Sandiford's GUNIS SINGING SIDNEY**

Best Puppy. 9 months old, pleasing size, ample bone and substance, good coat texture and well defined tan markings, broad flat skull, would prefer a shorter muzzle and needs time to fill out in body.

#### **Open**

##### **1<sup>st</sup> Dr. W. Welch's BORTERRA STONE MASON AT ELTHOR**

CC, BOB, Best Working and BIS. An outstanding example of the breed, excellent head properties with the desired clean and dry head, very good eye and expression, strong neck, firm top line with good croup and tail set, correct rib cage, strong and powerful coupling and loin, well angulated and muscled quarters, presents an overall picture of strength and power, very impressive on the move with excellent rear propulsion.

## **Rottweiler (Bitches)**

### **Limit**

#### **1<sup>st</sup> Mr. D. Saddler's ELTHOR DARK MAGNA**

Balanced height to length ratio, strong neck, good rib cage and strong loin, good slope of croup and well set tail, well off for bone, correct coat texture, a little plain in head and carrying too much weight.

### **Open**

#### **1<sup>st</sup> Dr. W. Welch's CIA VON DER HANSESTADT BREMEN**

CC and Reserve BOB. Nicely head with strong muzzle of good length and flat skull of good breadth, well off for bone, good height to length ratio, correct coat and distribution and intensity of tan, well set and carried full tail, would like more fill of chest and a little more depth of body.

#### **2<sup>nd</sup> Dr. W. Welch's SIESTA CREEK YOGA VON EVMAN**

Reserve CC. Difficult to assess movement today but she appeared to be of good overall breed type, balanced skull and muzzle of correct proportions, well balanced body with pleasing construction, could be slightly deeper and stronger in body.

## **German Shepherd Dog (Dogs)**

### **Limit**

#### **1<sup>st</sup> Miss S. Patel's MARINITA ARKOS OF NETANYA**

Reserve CC. Pleasing head which was in proportion to his body, good length of leg in relation to depth of body, matching fore and rear angles, pleasing overall outline and length of body, gently sloping croup, top line held well on the move.

#### **2<sup>nd</sup> Miss L. Pearson's OTCH SHEPHERDGLEN KAYNE**

Rangy build with insufficient depth of chest making him look high on the leg, pleasing head, good overall length of body, good coat texture, moved soundly.

### **Open**

#### **1<sup>st</sup> Mrs. A. Sober-Rice's MONIFA RODDIE**

CC and Reserve BOB. Quality dog of good type with desired build and outline, well laid shoulder, well developed long brisket, short loin, strong and well muscled quarters, long second thigh, strong and powerful gait.

## **German Shepherd Dog (Bitches)**

### **Puppy**

No awards.

### **Junior**

#### **1<sup>st</sup> Mrs. S. Nieves' MIRRWOOD WANDA AT DANAMAN**

Good breed type with a pleasing head, eye and expression, strong neck, well ribbed back, strong loin, good development of quarters, good coat, initially unsettled and didn't move too well but went better with a change of handler.

## **Limit**

### **1<sup>st</sup> Mrs. S. Nieves' MONIFA VANTA**

Reserve CC. Nicely headed exhibit, ample bone and substance, pleasing overall conformation although a shade more length of body would have improved her height to length ratio, nicely sloping croup with adequate hind angulation, covered her ground well on the move with a steady and purposeful gait.

## **Open**

### **1<sup>st</sup> Mrs. S. Nieves' NETANYA ULLA**

CC and BOB. Very feminine in appearance with a pleasing head which was in proportion to her body and with well set and carried medium-sized ears, strong muzzle with tightly closed lips, strong neck, pleasing fore and rear angles, good length of well sprung rib, oval bone, supple pasterns, deep brisket but with ample length of fore leg, gave an real impression of power and endurance when gaited.

## **Boxer (Bitches)**

## **Open**

### **1<sup>st</sup> Miss G. Leach's SEEFELD SEA GODDESS OF WORTHINGTON**

CC and BOB. Flashy red/white of very feminine appearance, square build and medium size as required by the breed standard, head in proportion to body, lean skull with the right amount of cheek and a broad and powerful muzzle, intelligent expression, strong muscular neck, balanced construction of fore and rear quarters, short and well tucked up loin, cat-like feet, moved soundly but not putting in enough effort other wise she could have figured higher in the group competition.

## **Variety Classes**

### **Stud Dog**

#### **Mr. P.R.P. Evelyn Q.C. - CH. MURBISA CONNOR AT HOTHERSALL**

A successful stud dog that is obviously stamping his style, presence and breed characteristics on his offspring.

### **Veteran**

#### **Mr. R. Alleyne's CH. MONIFA BRIMSTONE AND FIRE**

An impressive male Rottweiler of 9 years who still shows many of the qualities which gained him his past glories, Balanced skull and muzzle with a typical eye and expression, pleasing outline with correct body proportions, good rib and top line, well placed croup and shapely rear quarters, just beginning to show his age in movement.

Ronald W James (Judge)
