

THE BARBADOS KENNEL CLUB

Judge: Mr. Paul Harding (UK)

To be invited to judge internationally is always an honour but Barbados is just a little special I must thank all the committee and officers for the great planning and organising from the initial invite and now to arrive at this stunning showground set in the most beautiful surroundings. The quality of the dogs was a great credit to all those passionately involved but a special mention must be made to the home bred dogs I feel you are blessed with very clever breeders.
