

THE BARBADOS KENNEL CLUB

All Breeds Championship Dog Show – 20th November 2016

Judge: Miss Ann Ingram (Ireland)

It was a great privilege to be invited to judge at the Barbados Kennel Club Show and I would like to say a big thank you to the organisers for making me feel so welcome and looking after me so well. I did not know what to expect as it is my first time here but I was very happy with the well laid out show grounds and the sporting atmosphere at the show. All the dogs were in excellent condition and had good temperaments, the handlers were great at following instructions but some dogs could be improved if they had a little more training. My Best In Show Winner came from the strongest breed, Rottweilers and it was a close decision between him and the Reserve BOB. Having been very impressed with him in the breed, I had him in my mind as a potential group winner but he very nearly spoilt his chances by taking a dislike to a couple of dogs in the group, finally I am happy to say his handler took control and he went around the ring demonstrating how well he can move with his powerful, easy stride and lovely outline. Runner up was the very well balanced Boxer who made the most of himself going around the ring and is so very sound moving. These 2 went on to take Best In Show and Reserve. Also close up in the working Group was the Reserve BOB Rottweiler and the very typey Bullmastiff. Other group winners were, the impressive Rhodesian Ridgeback who is such a nice dog making the absolute most of himself, the Flat Coat Retriever with such a nice head and eye and that lovely happy Flat Coat temperament, and finally the Shiba Inu who was in great coat with excellent head and showing very well.

Best Puppy in Show went to the Boxer who is so well made, yes her head still needs to develop in muzzle but, she has a lovely expression and is such a great mover, doing everything right., I felt she deserved to take the top spot.
